## TOBACCO PRICES TO BE HIGHER;

### LETTER TO GROWERS OF COUNTY

FROM NATIONAL UNION A. S. OF E.

Under the auspices of the American Society of Equity, the Tobacco Growers association, a branch thereof, will hold its second annual convention in Owensboro, October 18, 19 and 20. The first meeting was held in Lynchburg, Va., November 21 and 22, 1904, and recommended that no 1904 tobacco should be sold for less than an average of eight and nine cents. These prices have since been realized in many instances and the general average for tobacco during the past year has been much higher than in 1904-05. The coming convention intends to declare the minimum prices at which each class and grade of the 1905 crop should be sold. This convention will be composed of the leading tobacco growers of Kentucky, Virginia, North Carolina, Tennessee and Wisconsin, and in view of the victories already gained by the organized growers, this meeting will be largely attended and the result will be watched with intense interest by both growers and dealers.

Secretary Taylor, of the Tobacco Growers' branch of the American Society of Equity, has issued the following letter to the tobacco growing farmers of Breckinridge county:

#### Letter to Farmers.

"To the Tobacco Growers of Breckinridge County: It is a fact, now openly admitted by the leading tobacco trade journals, that surplus stocks of tobacco in warehouses and factories has nearly all been brought into consumption. This has been the result of the increased demand during the past year, and the fact that much of the 1904 tobacco is still held by the growers. The statement so largely circulated a year ago, that there is a 'two years' surplus on hand,' is no longer credited nor is it true. It is also generally admitted by the tobacco journals that the crop of 1904 was much below a normal crop, and that the crop of 1905 will be little, if any, larger. It is evident, and the evidence is more evident to the tobacco dealer than to anyone else, that before the crop of 1906 can be placed on the market, every point and scrap of 1904 and 1905 tobacco in first hands will be sought for and gobble up, and if the growers hold the crops back and market slowly, prices will be much higher than those now offered.

"The organized tobacco growers are desperately in earnest in their demands for fair prices, and the coming convention which will extend over a period of three days will be the largest, most important gathering of tobacco growers ever known in this country. Capable committees will arrange plans for handling the crop from the time it is put in the barn until it is turned into cash at the prices asked by the farmers. Prominent tobacco growers will attend and fire the zeal of the farmers with strong speeches. Many delegates have already been appointed, and the city of Owensboro is

making preparations to entertain several hundred tobacco growers.

#### Trust Doubles Its Money.

"It is said that the tobacco trust doubles its money on every pound of tobacco it buys. In other words the manufacturers make clear as much money as they give the farmer for the entire crop. If tobacco is worth so much to the consumer, is there any reason why the farmer should not have fair pay for producing such a wealth of luxury? Isn't it time that the farmers were taping some of the sweets of life?

"Those who are fortunate enough to attend the Owensboro convention will be greatly surprised to see how thoroughly in earnest the farmers are and how much they have already accomplished. The farmers are leasing the tobacco business. The stock exchanges for low prices heretofore sent broadcast by the tobacco boards of trade, are no longer swallowed blindly, and the fellows out between the tobacco rows and in the tobacco barns know about how much tobacco is grown and how much is needed to supply the demand. They also know that the cost of the manufacturer to put out the stuff the consumer purchases, and they know what the consumer pays for it. They cannot harmonize the statements and the facts so that only a pitance should belong to the producer. The sooner all planters get their eyes wide open and become fully alive to the situation, the better for them.

#### Should be Represented.

"Every county that produces tobacco to make a smoke should have a delegation at Owensboro, whether they are organized or not. If they are not organized they soon will be when they learn how many of the organized farmers save more money through their organization than some other make. The growers in many counties of Kentucky and Tennessee have held their 1904 crops and are making full preparations to hold their crop of 1905.

"The wheat growers of Kansas, many of them, are dumping their wheat at 65 cents per bushel. In Indiana the farmers are partially organized and better educated along the lines of controlled marketing, and are marketing more wisely, receiving 85 and 90 cents. The farmers of Virginia and Kentucky, where they are thoroughly organized, are in some cases being offered 90 cents to \$1.00. This shows how much wheat is really worth. It shows what it ought to sell for, and why it does not in all cases. More than all, it shows that when the farmers want anything and demand it, they get it. 'Any farmer who sells a pound of tobacco for less than the Owensboro convention will say it should sell for,' will be robbing his family to make a free-will offering to the trust. Come to Owensboro and learn the truth."

## Spontaneous Combustion Fire.

The loss on a barn and contents, on the Hon. Q. K. Groves' place at Cloverport, which was burned last week is estimated at between \$500 and \$700 by Mr. Groves. Besides the barn 300 bales of straw, 300 bushels of corn and some farm machinery was burned. During a storm several days previous to the fire the barn door blew open and the straw became wet. The intense heat following probably caused spontaneous combustion. The insurance amounted to \$150.

## Epidemic of Typhoid.

Vine Grove, Ky., Aug. 12.—An epidemic of typhoid fever is raging in this town and vicinity in the worst form ever known. Physicians are going night and day, trained nurses have been ordered from Louisville, and the situation is alarming. The County Board of Health visited the town in

## Webster Loses to Tobiasport.

A two-ball team composed mostly of players from Webster went up against the "Punkin' Rollers," of Tobiasport, on the latter's grounds, Sunday afternoon. The game was close and interesting from start to finish, and resulted in a score of 7 to 6 in favor of Tobiasport. Players and "fans" in Breckinridge county have expressed the opinion that the umpire's decisions were unfairly against Webster in a number of instances, and that Webster would have won the game if it had not been for this arbitrary rule. Webster put up an excellent game and the spectators, of whom there were several hundred, got their "money's worth." Perhaps over a hundred persons attended the game from this county. It was the first Breckinridge county team to play Tobiasport this year, though there were several that played last year.

## NOTICE.

On account of the prevalence of yellow fever in the North and the danger that the same may extend to Kentucky—All persons living within the city limits of Cloverport, Ky., are hereby notified to clean up their premises within the next ten days by cutting weeds, grass, etc. To drain all standing stagnant pools or pools, also to clean out all old cesspools, privy vaults, water barrels, pig pens, etc., that may contain unwholesome stretches or breed places, and to dispose of them, as well as to clean up all other places where garbage or refuse may be liable to a fine of not less than five or more than twenty-five dollars, and the city officers will proceed to remove such nuisances, and judgment will be rendered against property owners or holders for the cost of such removal.

L. T. Reid, Mayor.  
Dr. F. M. Smith City Health Officer.

## First Game in Two Years.

The Dukes nine and a team composed of players about town played a game of ball, Saturday afternoon, near the ice factory, the score being 14 to 6, in favor of the local team. The local players were: Geo. Wendelen, Chas. Berry, Chas. O'Brien, Thos. Harry and Clyde Morrison, Lee Yeager, Joe Graham and Beavis Tucker. They expect to play Camp Anderson on Saturday afternoon, August 20. The larger number of the players named above are employees of the Henderson Route and are about the best local talent to be found. The half holiday at the company's shop, at the end of every week, gives them an opportunity to play on Saturday afternoon.

The game Saturday was the first here in the past two years, and there has never been so little interest here in the national sport as during that time.

## W. B. Oelze's High Award.

W. B. Oelze has been awarded the fourth prize in the annual contest of the National Association of Amateur Photographers of America. When the contest was held, the prize submitted by Mr. Oelze was one of 11,690 prints entered in the contest, the importance of the award and the value it places on his ability as a photographer is apparent. Two kinds of membership cards are granted by the Association. The kind Mr. Oelze has received is for meritorious work, and this kind is limited to 120, or about three to each state.

The prize entered in the contest by Mr. Oelze is an enlarged photograph of the old covered bridge over the small stream known as Skillman's branch, just east of the city.

## Entertainment of Delegates.

All the delegates and visiting brethren to the annual session of the Breckinridge Association of Baptists, which meets in this city on August 31 and September 1, are requested, on arrival in Cloverport, to call on J. E. Keith, chairman of the committee on entertainment. Mr. Keith will see them to their quarters, and will also come overland with all who come overland with their teams and car.

## Miss Ivy Squires Married.

Raymond, Ky., Aug. 15.—(Special.)—The many friends of Miss Ivy Squires will doubtless be surprised to learn of her marriage. She was married to Mr. Thos. Ogden, at Red Fork, 1, T., on August 8. Miss Squires left here with her father's family, for Red Fork, about two months ago.

## TWENTY-FIVE LOTS SOLD

In Breckinridge Addition For \$2,700  
—May Aid Growth of Town—

Twenty-five lots in Breckinridge Addition to the city of Cloverport were sold to the highest bidder, last Thursday afternoon, by the Cloverport Real Estate and Improvement company. The lots were sold for \$2,700, the purchasers being mainly local business men, some of whom have already announced their intention of building. The lots were sold by D. W. Henry, of Irvington, the well-known auctioneer. The sale was attended by about two hundred people, many of whom were business men. Several business houses were closed at the hour of the sale, by request of the city council, in order that the employees and employers might attend. The sale began about 1:45 o'clock. It had been announced for 10 o'clock but was postponed on account of the rain which fell in the forenoon. The selling was brisk, some investors buying lots in bunches. On some the bidding was lively, the price on one going from fifty dollars to over a hundred. The prices paid for the lots averaged about \$100. The largest purchasers were Seaton & Weatherall, the local timber and lumber firm. This fall they will build residences on the lots they bought at the sale.

Several candidates for county office attended the sale and were busy there and in town during the day shaking hands with the voters. Among those noticed were Henry DeH. Moorman, Morris Eardick, Democratic and Republican candidates, respectively, for county judge, W. S. Bell and F. Hook, Republican and Democratic candidates, respectively, for county clerk, and Dennis Sheeran, Republican candidate for sheriff. Several other candidates of the Republican party committee were also among those present.

It is believed that the sale of lots Thursday presages the rebuilding of the West End and means much for the growth of the town. They are ideally located and will no doubt furnish sites for many residences within the next few years. They are very suitable also for factories.

The sale that deals without a scar is DeWitt's Witch Hazel Salve. No remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all sores, burns and bruises. A sure cure for Piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Beware of counterfeits. They are dangerous. Sold by All Druggists.

## Gibbs-Adams.

Mr. Henry Gibbs and Mrs. Lillie Adams, of this city, were married in Louisville Monday evening at 8 o'clock in the parlors of the Presbyterian church at Eighteen and Chestnut streets, by the pastor. Mr. and Mrs. Gibbs returned here yesterday to make their home. Mr. Gibbs is the News' efficient pressman. He came here from Louisville last summer.

## Agent at Stephensport.

Stephensport, Ky., Aug. 15.—(Special.)—Ed. Addison has accepted the position of agent here for the Henderson Route. Mr. Addison and his family have moved into the Netherland property. Nick Netherland, the former agent, is now agent at Irvington.

## Annual Meeting in Progress.

Hartinsburg, Ky., Aug. 15.—(Special.)—All roads led Sunday to Freedom church, where the annual meeting is in progress. A large crowd from this place attended the services there Sunday.

Frank and William White entertained Saturday evening at the home of Mrs. Jas. T. Salliman, in honor of their cousin, Miss Mildred Fontaine, of Louisville. The following were the out-of-town guests: Misses Mildred Fontaine, of Louisville, Elmore Lewis, of Addison, Alton Board, of Holt, and Messrs. Tom Lewis, of Addison, and Gus Riedel, of Holt. Miss Fontaine and brother, Virgil Fontaine, of Louisville, and Frank and William White were the honor guests at a party at Holt last Wednesday given by their aunt, Miss Forrie Hardin.

## With the Candidates.

Hartinsburg, Ky., Aug. 15.—(Special.)—Henry Cannon, the Republican nominee for assessor, has selected two of his deputies. They are Matthew Shrewsbury, of the Hartinsburg district, and James Aritt, of Union State neighborhood. They are excellent gentlemen, and, if elected, will make capable and efficient officials.

Eliza Moador is being strongly urged to make the race for magistrate in the Hartinsburg magisterial district on the Republican ticket. The chances are that he will be nominated.

## Store at Hites Run.

Lafayette Beachcamp, of Falls of Rough, has sold his interest in the store of Beachcamp & Eardick, at that place, and will conduct a general store at Hites Run, on the turnpike, halfway between Cloverport and Hartinsburg. Mr. Beachcamp has bought a lot from Low Waggoner, near the latter's residence, on which to build a storehouse. He expects to begin building at once.

## Property Value Increases.

Hartinsburg, Ky., Aug. 15.—(Special.)—The Farmers' Bank has purchased the Johnson property, it consists of the brick building now occupied by the bank and about one-fourth of an acre of ground. The exact figures of the consideration have not been made public, but the price exceeds the sum of \$1,750. A few years ago the property was considered worth only \$1,000.

## Miss Mamie Snyder Dead.

Bowling, Ky., Aug. 15.—(Special.)—Miss Mamie Snyder, after a very short illness, died at her home last Friday afternoon. She was a good girl, beloved by her friends, and her place could not be filled. For a number of years she has been her father's housekeeper, his stay and comfort in his declining years.

## Gash Cut in Shoulder.

Clovis Bowlds, formerly of near town, met with an accident while working in the Tell City chair factory, cutting a large gash in his shoulder. It was not serious, but it kept him from work for several weeks.

## Morning Star Returning.

Saturday's Owensboro Messenger stated that the handsome steamer Morning Star is now on her way up the river from Memphis and will likely be placed in the Louisville and Evansville trade again. The boat was chartered about a year ago by the Arkansas Packet company.

## Joe Allen For Deputy Sheriff.

Joe Allen, of this city, will make the race for deputy sheriff in this district on Dennis Sheeran's ticket. John Jennings, at present magistrate in this district, has announced that he will make the race for deputy sheriff on the Democratic ticket.

## IN HONOR OF THE VISITORS

In the City A Banquet is Given By West End Society People.

A fish fry, an annual affair here, was given mainly by society people of the West End, at Oelze's Hall, last Thursday evening. It was given in honor of the visitors in the city and was a most enjoyable affair. It had been arranged for an out-door entertainment, but the heavy rains of the day prevented this. It was called a fish fry, but "fried fish" was far from being the only delectable "refreshment" that was served to the guests. The affair was really a banquet. It was served in eight courses and was as enjoyable as elaborate.

The out-of-town guests were as follows: Mr. and Mrs. J. B. Randall, Louisville; Mrs. Thos. Watkins, St. Joseph, Mo.; Mrs. Lillian D'Hart, Evansville; Misses Ann Hamilton and Missie Pierce, Sborgo; Miss Marian Hamilton, Henderson; Misses Zillah, Edna and Frankie Bates, Hawesville; Miss Della Conrad, Leavenworth, Ind. Mr. and Mrs. Harry Weaver, Toronto, Canada; and Messrs. Max Rosenblatt and C. D. Roe, Hawesville; Forrest Hayes, Owensboro; Dwight Randall, Louisville; and Shannon Lees, Denver, Col.

Following are the local people who were at the banquet: Mr. and Mrs. E. C. Lightfoot, Mr. and Mrs. E. B. Oglesby, Mr. and Mrs. Wickliffe De Haven, Mr. and Mrs. S. P. Conrad, Mr. and Mrs. S. V. Conrad, Mr. and Mrs. F. P. Payne, Mr. and Mrs. H. A. Oelze, Mr. and Mrs. R. L. Oelze, Mrs. Mary Oelze, Mrs. Helen Adams, Misses Ethel Oelze, Judith Miller, Grace, Eva and Edith Plank, Rhea Willis, Kate Oglesby, Josie Rutt, Georgia White, Mary Owen Oelze, Julia Hills and Messrs. Geo. Younger, W. B. Oelze, Harry Hills, Ed. English, J. D. Habbase, Jr.

# OF HEART DISEASE

## W. O. THOMAS DIED

Declared Chas. Pate After His Arrest—Was Superstitious And He Left Hancock For Grayson.

In the Owensboro Messenger last Wednesday morning was the following:

"I did not kill Mr. Thomas. He died of heart disease. I left there because I was superstitious." This statement was made yesterday at the "Texas" depot by Chas. Pate, charged with the killing of William O. Thomas, of Hancock, Ind., a few miles above Haverhill on July 21. Pate was in the custody of Sheriff Banton, of Hancock county. He was arrested in Grayson county late Monday afternoon by the sheriff and brought to Owensboro on the Illinois Central road on Tuesday morning. The sheriff said he remained in the city all day and left for Haverhill on the 3:35 p. m. "Texas" train.

Thomas was a prominent stone contractor of Southern Indiana. His home was at Cannelton. He had a quarry on the "Texas" road above Haverhill. Pate and his family lived near the quarry. It is said that the men had a difficulty over the possession of a house. It is alleged that Pate kicked Thomas in the stomach. The man, who was over sixty years of age, staggered from the house and walked a few paces and fell to the ground dead.

Pate left the scene of the tragedy and all efforts to locate him for a few days seemed in vain. His wife refused to talk about the affair and she was arrested and lodged in the Haverhill jail. It was thought that she was connected with the trial and she was given an examining trial and held to the grand jury.

Sheriff Banton heard that Pate had gone to Grayson county. He left Haverhill on Monday morning for the place where he thought Pate was hiding. He reached the house at midnight and after gaining admittance immediately placed Pate under arrest before he had time to resist.

Pate attracted no little attention on the streets Tuesday. He is a rather large man and wore an enormous straw hat. His beard was long and he appeared as though he had had but little rest during the past week.

The prisoner declared emphatically that he killed Thomas. He said that he had been working for Thomas for several years and seemed surprised that he should be accused of the deed. His only explanation for the man's death was that he was tired and died of heart disease. He declared that he was superstitious and did not care to remain all night in the house after Thomas died.

# Doctor Brigham Says

MANY PHYSICIANS PRESCRIBE Lydia E. Pinkham's Vegetable Compound

The wonderful power of Lydia E. Pinkham's Vegetable Compound around the diseases of womanhood is not because it is a stimulant, not because it is a palliative, but because it is the most wonderful tonic and restorative ever discovered to directly upon the generative organs, positively curing disease and restoring health and vigor.

Numerous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures, and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due.

If physicians dare to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female ailments, as they know by experience it can be relied upon to effect a cure. The following letter proves it:

Dr. S. C. Brigham, of 4 Brigham Park, Fitchburg, Mass., writes:

"I give you great credit for the fact that I have found Lydia E. Pinkham's Vegetable Compound very effective and reliable. It is a true medicine for female ailments. My oldest daughter found it very beneficial for uterine trouble, and my youngest daughter is now taking it for a female weakness, and is sure to gain in health and strength. I freely advocate it as a most reliable specific in all diseases to which women are subject, and give it highest endorsement. Women who are troubled with painful or irregular menstruation, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the ovaries, ovarian troubles, that bearing-down feeling, dizziness, faintness, indigestion, nervous prostration, or any other ailment, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, at Lynn, Mass., for further free advice. No living person has had the benefit of a wider experience in treating female ailments. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well."

## Trial of Mrs. Pate.

Mrs. Joale Pate, better known as "Babe," was arrested in Cloverport on Thursday by Deputy Sheriff Kelly, charged with complicity in the killing of William O. Thomas, says the Hancock Clarion. The warrant was procured by Ed Dolin, a business associate of the dead man. Mrs. Pate was brought to this city and in the absence of Judge Stephens, went to jail to await examining trial, which was begun on Friday afternoon.

The woman was accompanied by a daughter, who accompanied her mother to jail. A baby about a year old was left at Cloverport, but was ordered to be sent here by the court on Friday, in order that it would suffer no inconvenience.

The examining trial of the woman was resumed before Judge Stephens, and although the evidence was rather conflicting she was held in the sum of \$100 for her appearance at the next term of circuit court. As she was not able to secure bond she was sent to jail, accompanied by her baby, which she can either keep with her or send away if she pleases.

Mrs. Pate, like her husband, is of a low order mentally, and really made no denial of her part in the tragedy, stating, however, that the dead man kicked her husband first.

Summer Diarrhoea in Children. During the hot weather of the summer months the first unnatural ailment of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil. Dr. M. O. Storkland, pastor of the First M. E. Church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by Short & Haynes.

## Dr. Rial Leaves Cannelton.

Dr. George W. Rial, who has been temporarily in charge of Dr. W. B. Amers' dental practice, has decided to locate in Owensboro for the practice of dentistry. He has rented rooms over J. R. Smith's confectionery on Third street and will remove his family here in a few weeks from Cannelton, where he has been practicing dentistry for some ten years. He was born and reared at Haverhill and is well known here, where he began his practice with the late Dr. H. H. Taylor. Mrs. Rial is a daughter of Mr. Alex. Boyd and a sister of Mrs. Chas. Babbage and is also a Kentucky native. Her husband and family will be an addition to Owensboro socially as Dr. Rial will be professionally.—Owensboro Enquirer.

## Monthly Crop Report.

The monthly report of the State Agricultural Department for August, showing the condition of the crops, especially wheat and tobacco is, in brief, as follows:

The corn crop promises a full average. The field of wheat is much above an average and the grain is not good. Most of it threatened tough and slow growing grain. The oat crop, suffering damage due to excessive moisture, is a full one. Barley tobacco is below the average of the last five years. Condition also below average. Dark tobacco crop is in fair condition, but much below. Condition is low on account of lack of proper cultivation and water-sowing. Corn—Prospect for average crop 5 years. Wheat—Prospect for average crop 5 years. Oats—Prospect for average crop 5 years. Barley—Prospect for average crop 5 years. Tobacco—Prospect for average crop 5 years. Dark—Prospect for average crop 5 years. Light—Prospect for average crop 5 years. Dark—Condition of crop August 1, '05.

## Bryan For President Again.

An associated press dispatch from Milwaukee says: "Wm. Jennings Bryan, the 'old-time' politician, has political principles that caused his defeat in 1900 and 1904, will undoubtedly be a Democratic nominee for President in 1908. He has publicly outlined his ideas of the platform that should be adopted. It is radical enough to keep his radical followers in line, and it is conservative enough to win the support of most of the Democrats who repudiated him in former campaigns."

## PHIL BROWN STILL LIVES.

Federal Prisoner From This County Not Dead, as Reported.

There is no foundation for the story which has been published that Phil Brown, federal prisoner, died of smallpox in the Danvers county jail, says last Thursday's Owensboro Messenger. Brown is alive and well and has not had smallpox or any other disease, according to the statements of the jail authorities, the federal jail physician and Deputy United States Marshal Nichols. Marshal Nichols says that he heard the report of Brown's death several days ago and at once went to the jail to investigate. He saw Brown and had a talk with him in which he stated that he had not so much as been "feeling" pany.

Brown was arrested some time ago in Meade county on the charge of moonshining. He was taken to Louisville, where his examining trial was held, after which he was brought to Owensboro and placed in jail. Early last spring Dick Brown, his brother, was arrested on the same charge and held over to the grand jury by Commissioner Lindsey. Both the Browns are now in the Danvers county jail. The men are still to have operated a moonshine still near Meeting Creek postoffice, Breckenridge county. The still was raided and destroyed by Deputy Marshal Nichols and other officers.

## Contract For Capitol Let.

The State Capitol Commission has awarded the contract for the construction of the new State Capitol to the General Supply and Construction Company, of New York, at its bid of \$880,000. There were fourteen bidders for the general construction, ranging in bids from the successful one of \$1,007,000.

The stone to be used is Bedford. All contractors bidding \$100,000 higher on Bowling Green and other Kentucky stone. B. B. Taylor, president of the successful company, is a young man, twenty-six years old, and presented his bid in person. He gave bond to the sum of \$25,000 to complete the work in two years, with a penalty of \$30 per day for every day over the allotted time.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rattling, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Dr. Cassell's Cure. Sold by All Drugists.

## Down in Hancock.

J. W. Bates came down from Tar Springs Saturday to look after his affairs but returned Sunday to spend some time drinking the waters of Paducah. He was last week attending the teachers' institute. He will teach the next session at Lewisport.

Miss Lena Payne, assistant cashier in the Stephensport Bank, came down and spent Sunday with Judge and Mrs. J. S. Adair.

The new gravel boat, "Billie," was out on Thursday evening about 6 o'clock on her first trip. She is now plying in the Haverhill-Tell City trade, and is much better equipped for this service than her copartner, "Browns." It is understood that the "Billie" will run excursions according to the "moon" schedule.—Hancock Clarion.

## Truth About a Good Man.

Prof. Abel Powell was down from Tolsonport on Monday and paid a pleasant call. He came to say good-by and to order the Enquirer to follow him to his new home at Sebes, Ky., to which place he will remove next week. Prof. Powell has accepted the superintendency of the Sebes schools. We sincerely regret to see him leave this part of the country but he is going to his new field with the inducement of a handsome salary and a hearty welcome from the people there. Prof. Powell is a master of his profession and a perfect gentleman with it all, and the people of Sebes have every reason to congratulate themselves upon their wise choice.—Cannelton Enquirer.

A Report in Louisville Regarding Road From Madisonville.

(Thursday's Courier Journal.)

It was reported yesterday that the Louisville and Nashville Railroad Company was pushing the construction of the proposed new line from Madisonville to Irvington by the way of Fordville, and had agreed to purchase the line following its completion. The report came from railroad men who have been visiting the cities interested in the new line.

Under present plans, it is the intention of a company of Madisonville capitalists to build a steam line from Madisonville to Fordville, where it will connect with the Fordville branch of the L. & N. The L. and N. officials are said to be anxious to see this line go through, as it would be one more step toward a direct line from Louisville to Paducah. Recognizing the fact that Paducah will be an Ohio river crossing in a few years to come, it is the intention of the L. and N. officials to get a better foothold in the city than they now have. At present the L. and N. reaches Paducah only by running so far south that it nearly enters Tennessee, and the Illinois Central has a distinct advantage on all-tan.

It is also said that this new railroad will open a territory of undeveloped country, which is not tapped by any railroad, and that large shipments of grain, cotton, lumber and coal will be sent to Louisville by means of it. At present the greater portion of these shipments go to Evansville by the way of Green River. Should the L. and N. secure the new branch, it would be a step to connect Madisonville with Paducah, running their trains from Fordville over the L. & N. and St. L., and not only securing a direct route to Paducah, but the benefit of developing a virgin territory.

## Peculiar Disappearance.

J. D. Knyman, of Butlerville, O., laid the peculiar disappearance of his painful symptoms, of indigestion and biliousness, to Dr. King's New Life Pills. He said: "They are a perfect remedy for indigestion, sour stomach, headache, constipation, etc." Guaranteed at Short & Haynes drug store, price 25c.

## Liquor Licenses in Meade.

A. E. Gentry made application for tavern license to sell liquor at Ekron Monday in the County Court. Judge Hancock refused to grant license on the ground that local option prevailed in said town. Mr. Gentry was granted an appeal and the case will be tried in the Circuit Court.

J. E. Mattingly was granted tavern license to sell liquor at Concordia. Protest of Phil Brown, James Stephens, W. A. Durbur, Thos. Rider, E. W. Davis, Mark Hardin and T. J. Roberts was filed against the granting of said license.

Paul Mills was granted distiller's license to sell brandy at his distillery near Rhodella.—Meade County Messenger.

## CHAS. REDMAN'S SERVICES

To Irvington—Recollections of 40's—H. L. Bell Writes From Guston.

Chas. Redman and family, formerly of Irvington, visited Mrs. Redman's parents, Mr. and Mrs. G. W. Smith, before leaving for their new home in Tennessee. Mr. Redman is an educated business man and leaves a great many friends who regret to give him up as neighbor and friend. He has been in the service of the L. & N. St. L. railroad company for the past ten or twelve years, and served as police judge in the town of Irvington, holding to build his town from only a scant number up to a beautiful little town with a population of six hundred.

Mr. and Mrs. Ed. V. Peak, of Louisville, spent a week with their old friend, H. L. Patterson. Mr. Peak is a great hunter and dog fancier and his wife is very fond of traveling, and she frequently accompanies her husband to different parts of the country on his hunting expeditions. They have visited nearly every state east of the Mississippi river. Mr. Peak has spent his life in the Falls City and says he remembers the town long before it had electric cars and automobiles, for he lived at Fifth and Broadway and only had to look South across the street to see large forest trees. He also tells of a great many interesting things that existed there away back in the 40's. During his boyhood he lived down near Portland and was personally acquainted with a great many of the steamboat captains and pilots, and having no canal and no street car line then, the passengers on the boats were carried from Portland to Louisville in hacks. The cargoes of freight were hauled on drays which sometimes made procession half a mile in length.

Ernest Smith has gone to Cincinnati where he has a position as traveling salesman. Eugene Smith was at home from Chicago. He is one of the foremost railroad men of the west, having served in nearly every capacity in the railroad world. He has been in every State in the Union.

## Equity Tobacco Shipped.

All the tobacco received and handled the past summer and spring by the American Society of Equity at the J. B. Pace tobacco factory, has been prized and shipped to Louisville, to await the further orders of the finance committee of the country, and will remain closed until November 15, when the quail law is opened.

## Squirrel Season Opens.

The season is now open for the shooting of doves and squirrels. The squirrel law closes again on September 15, and will remain closed until November 15, when the quail law is opened.

## THE BOATNER CASE NOW OUT OF COURT.

Last Chapter is Written in The  
Now Famous Schlitzbaum and  
Boatner Robbery of \$28,000.

The last chapter has been written in the Boatner-Schlitzbaum story, which began three years ago when J. W. Boatner walked into the office of the American Express company in Owensboro and offered to Agent C. B. Schmitt a package which he said contained \$28,000 and which he wanted to ship to Fordville. Shortly afterwards Boatner and A. B. Schlitzbaum, the agent at Fordville, were arrested on the charge of conspiracy in the removal of the package. Since then, in varying intervals, a new chapter has been added.

Last Thursday the case of J. W. Boatner against the American Express company, a damage suit for \$2,000 for alleged malicious prosecution, was called in circuit court at Hartford. Boatner was not present, making a continuance necessary. A motion was sustained requiring the plaintiff to give bond for costs. Ben D. Ringo, Boatner's attorney, refused to execute such bond and the case was thrown out of court. It will be remembered that in August, 1902, Boatner shipped a package said to contain \$28,000 to his own address at Fordville through Agent J. G. Burch, of the American Express company in Owensboro. He went to Fordville on the same day and after he went to a hotel and retired early. A. B. Schlitzbaum was the station and express agent at Fordville. Early in the night he could not be found at the station and he remained in his hotel until the next day when he was found at the Falls of Rough. He told that he took the package and other money for safe keeping and started to his boarding house. When going through a lonely part of the little town he claimed that two men caught him and forced him to walk up the railroad a considerable distance from Fordville and that they then gave him knockout drops and robbed him. He claimed not to know what else happened. The next morning Boatner took the early train, claiming he was going to Cloverport. At Irvington he was arrested and taken to Hartford and kept in jail on the charge of conspiracy to rob the American Express company. He remained in jail about a week and was then tried and acquitted. He then brought suit, through Attorney Ben D. Ringo, for malicious prosecution, claiming damages of \$2,000. The ending of this case is noted above. He is supposed to have left Kentucky soon after filing his suit.

Schlitzbaum was given a prompt trial on the charge of embezzling \$82 from the American Express company and was sentenced to two years in the penitentiary. He completed his term at Edwille and has been arrested charged with defrauding the state by shipping boxes of shoes to a confederate or confederates at Memphis, New Orleans and other points in the South. This discovery was made a short while before Schlitzbaum's term expired. He was given credit of the shipping department of the prison because of his experience

and expertise as a railroad agent. He is now in jail at Edwille awaiting his trial on the new charge and it is said the evidence is so conclusive that he cannot escape another sentence in the penitentiary. He recently declared to several parties that Boatner had swindled him out of considerable amounts of money. Boatner is now supposed to be in the far Northwest, probably at Seattle.

## Unhappy Women!

A woman can be happy when her health is undermined. No woman can have good health while she suffers from female weakness, inflammation, ulceration or any disease of the delicate system. Nervous, sleepless, fretful, suffering in body and mind, she does not live but only exists.

More than a half a million such women have found a perfect and permanent cure for their diseased condition in the use of Dr. Pierce's Favorite Prescription. Women cured by this remedy say it is a "wonderful medicine," so perfectly does it restore them to health and contentment.

There is no alcohol in "Favorite Prescription," neither does it contain opium, cocaine, nor any other harmful drug. It is in the strictest sense a home remedy. Its ingredients are purely vegetable. It is the only medicine that does not injure the system by the most delicate constitution.

It is not a substitute for a physician. This medicine has a record that is worth more than any difference in price. Sick and ailing women are invited to consult Dr. Pierce, either personally or by letter, absolutely without charge or fee, thus avoiding the unpleasant and expensive, offensive and often dangerous and obnoxious local treatments considered necessary by many local practitioners. Correspondence treated as strictly private and no sacredly confidential. Write without fear and without fee to Dr. B. W. Pierce, 661 Main Street, Buffalo, N. Y.

and as a railroad agent. He is now in jail at Edwille awaiting his trial on the new charge and it is said the evidence is so conclusive that he cannot escape another sentence in the penitentiary. He recently declared to several parties that Boatner had swindled him out of considerable amounts of money. Boatner is now supposed to be in the far Northwest, probably at Seattle.

## Was Wasting Away.

"I had been troubled with kidney disease for ten years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well, and doctor with leading physicians and tried all remedies suggested without result. Finally I tried Foley's Kidney Cure and within two bottles cured myself and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overworked. Attend to the kidneys at once by using Foley's Kidney Cure. Sold by A. R. Fisher.

## September "Smart Set."

Molly Elliot Sewall's novelette, "The Chateau of Montplaisir," which opens the September Smart Set, is just the kind of story one wishes to read in the warm weather. It is delightfully humorous from beginning to end, and while some of the situations are hilariously laughable, the author never oversteps the bounds of probability. Those readers who remember Miss Sewall's "Peppé Bonchard"—and who does not?—which the same magazine published about four years ago, know what a pleasant hour is in store for them in this last piece of work. Miss Sewall has never given us a more rollicking and genuinely witty story nor one so full of the very spirit of comedy.

## A Touching Story

Is the saving from death of the baby girl of two. A. E. Lyle, of Hartford, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Croup, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At Short & Haynes' drug store; 75c. and \$1.00 guaranteed. Trial bottle free.

## What "Fod" Means.

Health Officer Allen has been asked to define the meaning of the term "new food discovered," used in the press dispatches from New Orleans in connection with the yellow fever epidemic. It means new starting points or new localities, where the disease has broken out. For instance, in the press dispatches this morning it is mentioned that the total food to date is ninety-three, meaning that there have been ninety-three points where the disease is prevailing in New Orleans up to this time.—Louisville Times.

## To Let Contract in Fall.

R. E. L. Simmerman, secretary of the Madisonville, Hartford & Eastern railroad, with headquarters in Hartford, writes that his company proposes to build sixty miles of road from Madisonville to Mitchell and has already surveyed thirty-five miles of the line and is now surveying the remaining twenty-five miles. He says that contracts for the construction will be let early in the fall.—Hartfordville News.

## Severe Electrical Storm.

The most severe electrical storm of the summer occurred here last Thursday morning between 7 and 9 o'clock. The lightning was very violent and the rain fell in a steady downpour. There was little wind and a number of people were frightened by the unusual intensity and apparent proximity of the lightning, though there was no damage done.

## R. E. Woods to Change Residence.

Mr. R. E. Woods, a well-known attorney of Louisville and formerly principal of the Elizabethtown High school, will move to Louisville, this county, for a permanent home. He will continue to practice law in Louisville.—Elizabethtown News.

## Mr. Woods is a native and former citizen of Cloverport

## One of the Fastest.

Regarding the "Punkin Rollers," of Tobacco, the baseball editor of the Owensboro Inquirer says: "Tobacco is one of the fastest teams in Southern Indiana and one of the few that has ever beaten Cannell on the latter's grounds."

## J. L. Cart Publishing Paper.

The News has received a copy of the Allen Hester, a weekly paper published at Allen, Indian Territory, by Fred J. J. Cart, formerly of West Star, this county, and a former school teacher at Lewisport.

## Cure For Rattlesnake's Bite.

A dispatch from Tucson, Ariz., says: "Superintendent B. F. Daniel, of the Territorial prison, who is a victim of the bite of a rattlesnake, has been engaged in mining in Mexico, and since he became superintendent of the prison he has seen two or three Mexican cowboys who had been cured of the bite of a rattlesnake, and who had the scars to show that they had been bitten.

"There is in every rattlesnake a small sac, about the size of a Mexican bean, attached to the intestines. This is filled with a brown or black fluid, and that fluid is the cure for the bite. If it is applied immediately the patient will not suffer any swelling and will entirely avoid pain.

"Many Mexicans carry the fluid with them at all times when they are in the mountains or on the desert. These Mexicans kill all the rattlesnakes they can find, and most of them store the fluid in a bottle made of a rifle cartridge shell, which is kept tightly corked.

"In anatomical descriptions of the rattlesnake no mention is made of this particular sac, though air sacs are numerous in the intestines of all members of the snake family. But there is no doubt of the existence of it, for Mr. Daniel said he had seen Mexicans remove it frequently."

## G. B. Burham Testifies After Four Years.

Y. G. B. Burham, of Carlisle, Conn., N. Y., writes: "About four years ago I was afflicted with a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the bitter dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." Sold by A. R. Fisher.

## Injury May be Permanent.

(Elizabethtown News.) The people of Harlin county are very much concerned over the injury of Judge McBeath, notice of which was published in the News last week. His friends will not be able to get much comfort from the following later and fuller information from the Grayson Gazette:

On Wednesday morning Judge J. R. McBeath while on his premises was trying to hold a fractions mare by the tail to a halter, when the mare rearing and suddenly, caused the Judge to lose his footing and he was thrown violently to the ground, sustaining a fracture to the small part of the spine of the femur. The injury was of such nature that the Judge had to be carried by his son-in-law and a hired man to his room. It is feared by the Judge's physicians, Drs. Arms and Calkins, that owing to the Judge's age the injury may cause him considerable trouble and likely be permanent.

## They Appeal to Our Sympathies.

The children and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by Short & Haynes.

## To Select Another Site.

## May Bring a Big Price.

Regarding the commission's sale, on August 28, of the farm known in history as the birthplace of Abraham Lincoln, located a few miles from Hodgenville, the La Grange County Herald says: "It is believed that when the place is thrown on the market on the 28th that it will bring a big price by reason of its historical associations, but it may fail to attract the attention of those who would pay a large amount for it and be knocked off at a low price. The farm has been badly neglected, for the reason that it was owned for years by people who cared nothing about farming it, and it has a strong and could be made into a splendid farm."

Introductory Sermon At Association

Aug. 30.—The Committees.

Rev. J. T. Lewis, of this city, will preach the introductory sermon at the third annual session of the Breckenridge Association of Baptists, which convenes at the Baptist church here at 11 o'clock Wednesday morning, August 31, with Rev. D. B. Clapp as alternate. The meeting will continue two days and will be attended by members and pastors from the twelve Baptist churches in the county, and by ministers and messengers from corresponding associations, as well as visitors from this and surrounding counties.

At the second annual session of the association, which was held at Goshen, at the Baptist church, at Goshen, on August 21 and 22 and September 1, last year, there were from three to seven messengers present from each church represented. A permanent organization was effected at this session, with W. V. Harrell, formerly of Hardinsburg, as moderator, and J. B. Hernon, of Irvington, as clerk.

The committees appointed last year to report this year are as follows:

Foreign Missions—S. O. Christian, Jas. Withers.

Home Missions—J. T. Lewis, W. V. Perkins.

State Missions—D. B. Clapp, Chap.

Until 1902 the Baptist churches of Breckenridge county were members of the Goshen association, which embraced also the Baptist churches of Grayson county. The Breckenridge association was formed and held its first annual session in 1903. Goshen association meets at Little Chilly on September 27.

## WONDERFUL CURE OF SORE HANDS

By Cuticura After the Most Awful Suffering Ever Experienced

### EIGHT DOCTORS

And Many Remedies Failed to do a Cent's Worth of Good

"I was troubled with sore hands, so sore that when I would put them in water the pain would nearly set me crazy, the skin would peel off and the flesh would bleed and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything, but could get no relief. I tried at least eight different doctors, but none did me any good, as my hands were as bad when I got through doctoring as when I began. I also tried many remedies, but none of them ever did me one cent's worth of good. I was discouraged and heart-sore. I would feel so bad morning, to think I had to go to work and stand the pain for ten hours. I often felt like giving up my position. Before I started to work I would have to wrap every finger up separately, so as to try and keep them soft, and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves; in fact, I had to wear gloves all the time. But thanks to Cuticura, that is all over now."

### CURED FOR 50c.

"After doctoring for three years, and spending much money, a box of Cuticura Ointment ended all my sufferings. It's been two years since I used any, and I don't know what sore hands are now, and never lose a day's work while using Cuticura Ointment."

## A COMRADE OF GENERAL GRANT

Says: "I Do Not Believe Pe-ru-na Has a Superior."

COL. BENJ. F. HAWKES.

Col. Benj. F. Hawkes, of 611 G Street, S. W., Washington, D. C., is one of the three living comrades of General Grant in his career days. In a recent letter this venerable gentleman says of Peru-na: "I have tried Peru-na after having tried in vain other remedies for catarrh, and I can say without reservation that I never felt a symptom of relief until I had given Peru-na the simple trial that its advocates advise. I do not believe it has a superior either as a remedy for catarrh or as a tonic for the depressing and exhausted condition which is one of the effects of the disease."—Benj. F. Hawkes.

The Greatest Family Medicine Ever Discovered.

Hon. Wm. G. Hunter, ex-member North Carolina Legislature, writes from the Census Office Building, Washington, D. C., as follows: "The greatest family medicine ever discovered, in my opinion, which comes from experience as well as observation, is Peru-na. The most common affliction to humankind is a bad cold. Peru-na drives it out of doors, wards off catarrh, invigorates and gives fresh strength to mind and body. I give Peru-na my unqualified endorsement."—Wm. G. Hunter.

Chronic Catarrh of the Stomach Cured By Pe-ru-na.

Jas. T. Jakeman, President Elder Norman Church, Salt Lake City, Utah, writes: "I should be and am a very grateful man for having been recommended the use of Peru-na for catarrh. I had a chronic case of catarrh of the stomach and my system was so filled with different remedies that I had taken, that I sickened at the sight of a medicine bottle. Peru-na was a last resort and it did last fail me, but cured me in about three months and I feel that it is a wonderful remedy and gladly give my experience from its use."—Jas. T. Jakeman.

Mr. Louis Hyman, auctioneer, commission merchant and business broker, 430 1/2 Richmond street, London, Ont., writes: "I had been a sufferer with what physicians diagnosed as chronic catarrh. I thereby lost the necessary speaking facilities, which almost caused me to discontinue the business of auctioneer. After spending several hundred dollars for various medicines and doctor bills without avail, your wonderful remedy, Peru-na, was recommended to me. After using several bottles of this remedy, I found relief, and I am again capable of conducting my auction sales. I wish to convince others, likewise afflicted, of the merits of your great remedy."—Louis Hyman.

Thousands of Testimonials.

We have on file thousands of testimonials like the ones given here. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements of Peru-na which we are constantly receiving.

Stanley Conn has returned from a short stay in Illinois; there is no place like home and old Kentucky.

The little Minny boys, of Louisville, who have been visiting their cousin, Miss Murray Barkley, returned home Sunday.

Mr. and Mrs. Will Ellitgeorge and son, Paul, of Canton, Ohio, arrived here Saturday evening to spend a few days with Mrs. Ellitgeorge's mother, Mrs. P. J. Pettit, of Rome, Ind.

Mr. and Mrs. M. C. DeJernette, Mr. and Mrs. W. B. DeJernette, Mrs. James Withers, Mr. and Mrs. Wm. Hendrick and Miss Maggie Withers, of Hardinsburg, were guests of Mrs. Scott Bell Sunday.

Stiles & Shulman have completed the well at the school building. It is fine water and quite a treat to the thirsty little folks. We think it has been a mistake on the part of our trustees heretofore in not having some means of getting water other than depending on the good neighbors for it.

Public is aroused. The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 540 St. Clair Ave., Columbus, O., writes: "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from illness doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at Short & Haynes' drug store; price 50c.

Born, to the wife of Henry Taylor, a boy, August 4.

Peru-na is a Catarrhal Tonic Especially Adapted to the Declining Powers of Old Age.

In old age the mucous membranes become thickened and partly lose their function.

This leads to partial loss of hearing, smell and taste, as well as digestive disturbances.

Peruna corrects all this by its specific operation on all the mucous membranes of the body.

One bottle will convince anyone. Once used and Peru-na becomes a life-long stand-by with old and young.

Mr. Charles F. Benedict, Treasider, Md., writes: "I have followed your instructions for the past month and am now as well as I can be at the age of eighty-four years."

I thank you for your valuable instructions and advice. I first used Peru-na fourteen years ago when my health was so bad that I had no hope of staying many days, and after using it began to pick up. It has helped me ever since. I feel well, but will always have Peru-na as my companion."—Charles F. Benedict.

Suffered a Number of Years From Systemic Catarrh.

Used Peru-na Last Resort, Now In Good Health.

Mrs. E. Schencher, 2205 S. Olive St., Los Angeles, Cal., President St. Louis Friendly Society, also secretary South Louisiana, writes: "I was for a number of years a sufferer from systemic catarrh. I was very nervous and run down, my appetite had failed me and my sleep was not restful. I had lost much in weight and looked like a very sick person. My physician advised a change of climate and the medicine I took only gave me temporary relief."

"I tried a bottle of Peru-na as a last resort, and was greatly pleased to find that it felt much improved in a general way and then I bought several bottles more."

"I can now in good health and have a good appetite and sleep well. I cannot say too much for Peru-na and for what it has done for me."—E. Schencher.

Per-na Contains no Narcotics.

One reason why Peru-na has found permanent use in so many homes is that it contains no narcotic of any kind. Peru-na is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peru-na does not produce temporary relief. It is permanent in its effect.
